Pines Calyx offers 3 flexible areas for your events, plus the use of a terrace for marquees. You can tailor a package that uses just one area or combine them for larger events. Whether you need break-out rooms, display space or quiet meeting areas, Pines Calyx will meet all your needs.

Pines Calyx is already attracting press interest with coverage on BBC, Meridian TV and in the Daily Telegraph and The Express newspapers.

Come along to our London launch at the Hub to find out more about Pines Calyx. Discover the thinking behind the venue and talk to members of the international design team. Stay for some organic wine and canapés and meet like-minded people who are part of the emerging low-carbon economy.

Leave your business card behind and you will be entered into a draw for a Mini Spa Break at the beautiful Wallett's Court, located in St. Margaret's At Cliffe, near Pines Calyx, Kent. The prize includes a break for two people including a two day stay with one night accommodation and dinner with a half hour treatment from the options listed on the website and full use of leisure facilities. The prize, of course, also includes a guided tour of Pines Calyx!
